2. **Registration:** Any resident team manager wanting to sign up a team must submit their roster, team entry fee and \$50 team player fee during the designated regular registration period. A one-week late registration period, with increased team entry fee, will follow the registration deadline allowing non-resident teams to register. A league determination meeting will take place after late registration week. Teams will be taken after the late registration week and placed on a waiting list to only be utilized if teams are needed to keep or form a league. After late registration, any manager wishing to add a player to their roster must pay a \$5 late fee.
 - a) **Resident Teams:** Each team will be allowed two (2) players on their roster who DO NOT LIVE OR WORK WITHIN THE BOUNDARIES OF USD # 428. Work is defined: Full-time job of at least 30 hrs a week. Teams violating this rule will forfeit all games won during the time the ineligible player(s) participated.
 - b) **Non-Resident Teams:** A NON-RESIDENT team is any team which has more than two players who do not live or work within the boundaries of USD # 428. NON-RESIDENT teams will pay an out-of-district fee of 15% in addition to the standard entry fee and player fee. NON-RESIDENT teams will have the opportunity to register ONLY if spots remain after all RESIDENT TEAMS have secured a spot in the program.
3. **Team Rosters:** To be eligible to participate as a player with a team in league play, a player must be properly registered listed on the team roster. Team rosters will be limited to 20 players. Managers do not need to acquire the signature of every player. The form allows you to sign up your entire team yourself.
 - a) **Dropping Player(s):** Teams wishing to drop a player may do so by filling out a drop slip form at the GBRC office.
 - b) **Adding Player(s):** Any manager wishing to add a player may do so by placing that player on the roster at the Great Bend Recreation Commission office. Once a player is listed on a roster, he/she is obligated to play with that team. Player additions can be made up until the halfway point of the season. Additions after this point will be based upon certain criteria; injury, moving, forfeits, etc., and must be a player that is not on any current GBRC softball roster and must be approved by the Sports Supervisor and Softball Committee. No player can be added for the tournament.
 - c) Any player who plays in a league game and has not paid their player fee will cause that game to be forfeited. **Adding Player(s) Restrictions:** Lower league managers may not add upper league player's names to their roster after the softball determination meeting has taken place.

7. **Game Time:** Game time is forfeit time. All games should begin at their scheduled starting time. Teams not ready to play at the designated time will forfeit. Three (3) forfeits by any team will result in the forfeiture of the remainder of the team's schedule.
8. **Game Length:** Seven (7) innings or an hour time limit, whichever occurs first. No new inning will start after the time limit has expired, except in a tie game (no tie games). If a tie game occurs, then extra innings will go straight to a 3 – 2 count on the batter. A foul ball will be considered an out. A strike thrown will be a strike out and a ball thrown will be a walk for the batter. If a game is delayed because of injury, inclement weather or other reasons, the time limit will resume from the time the game was stopped. A game called due to weather or other reasons will be considered official after four (4) innings of play (3 1/2 if home team is leading).
9. **Home Team:** The home team is the second team listed on the schedule who occupies the third base dugout.
10. **Run Rule:** Games will be called after five (5) innings and beyond, if one team is leading by ten (10) runs or more. Both teams may continue to use the field until the next game time but the umpire and scorekeeper will not be in use.

Men will use a 12” and women will use a 11” softball. Any team starting the game with optic covered softballs, must play with the optic color throughout the game. Teams will present at least 4 same colored legal game balls to the umpire before the game begins.**

If the EP is used, he/she must be used the entire game. If EP is used, all eleven (11) must bat and any ten (10) can play defense. Defensive positions can be changed, but the batting order must remain the same. The EP may be substituted for, however, the substitute must be a player who has not entered the game. The starting EP can re-enter.
 - f) **Injured Players:** If a batter-runner is injured on the bases, then there can be a courtesy runner for that trip around the bases. The courtesy runner would be someone on the bench that is not in the line-up and they would continue to bat in that spot in the line up just like a normal substitute. If there are no extra players, then the courtesy runner can be the player that made the last out. If a courtesy runner is used then that injured player cannot return to play (they are hurt). That spot in the order will be skipped for the rest of the game with no automatic outs being recorded.

Once the offensive out has been issued, the current batter or next batter, depending on when the offensive out was issued, is out. The offensive out is a team penalty and effects the next batter or current batter in the batter's box. That batter is then out and cannot bat again until their next turn in the batting line-up occurs. Teams will need to self-regulate their behavior or the offensive out will be used.
